## Drop- In Parent Meeting

Are you struggling with a parenting issue? Would it help to talk to another parent or a person who has or had similar struggles? Are you wondering how to address these and other issues?

We have an opportunity for you to do just that at our **DROP-IN Parent Meeting!** Hosted on **Thursday** evenings from **6:30-7:30 PM** at Lakes Area Youth Service Bureau (LAYSB) at 244 North Lake Street, Forest Lake. LAYSB's Youth and Family Counselor, Holly Morgel, M.S., will facilitate a supportive environment to discuss your individual parenting situation, helping you explore ways to handle it. The group setting provides differing viewpoints, the support of peers, social engagement, and active practice and application of the skills and knowledge being taught and discussed.

If you have questions, contact Holly Morgel, M.S. at 651-464-3685 or by email at [holly.morgel@ysblakesarea.org](mailto:holly.morgel@ysblakesarea.org)

## Teens! Check Out LAYSB Opportunities!!!

Message from a teen to a teen:

"Hi, I'm 15 years old and have been involved with the LAYSB for about a year and a half. The programs I've been in are Youth Advisory Board, Project Team, Job Readiness programs, and the list goes on. I first got involved with LAYSB because my mom made me. She said it would look good on job and college applications and she knew I would eventually enjoy it. Although at first I was skeptical, I started to look forward to coming back. I started to like it after the ice broke and started to meet new friends. After that, it became more interesting and fun. It gave me more opportunities to volunteer and better the community. Unlike school clubs, I liked the variety and options that the LAYSB offered. Since I joined LAYSB's Enrichment & Jobs programs, I've matured more and have grown in many areas. My mom used to drive me nuts. She would

nag on me to get my homework done and study for tests. I didn't understand the importance of school until YSB's programs helped me become responsible and independent. I now realize how being responsible and having a strong work ethic is important towards life. I have set a goal to get into Century College thanks to the Youth Service Bureau. And my mom does not drive me nuts anymore."
