## Machines Needed!

Our new youth social enterprise is up and running! *Tried & True Small Engines* has a shop, a mechanic, youth that are signing up & all we need now is for more donations of small engine machines to come into give the kids something to work on.

Donations can be any gas powered small engine machine from a weed whip to a riding lawnmower, (ATV's and snowmobiles will not be accepted).

Machines can be dropped off at our main office location at 244 North Lake Street in Forest Lake. Come in to the front desk to fill out a donation form to receive a donation letter from us.
